Dear Patent office:

My filing date of 02/28/2002 seems correct, however you sent my application and filing date by mail seven or eight months late. The date you mailed my notice was 10/09/2002. I've already sent a utility application so I lost eight months or more. I feel cheated of this time and I was then rushed to finish the patent process. Concluding this time period I also was pressed for time to raise funds and ready myself to advertize and sell my patent. **I wish to make the date of 10/09/2002 the new filing date.** Please refer to the letter that you sent with a mailing date 10/09/2002 with a confirmation no. of 8488.

Jack MacKinnon
